Tiyasha Biswas

Ambitious and self motivated user experience designer focused on achieving both user and bussigness goal. I believe in constant learning and exploring new things.

Work Experience

Creed Commune
Feb 2021 - Apr 2021

Intern

Designed the groud up mobile experience, Worked on the wireframe and the prototype

Personal UI/UX Project

Musafir

Musafir is an online travel booking brand, offering travellers a wide range of options for hotels, flights, trains, buses, and cars.

Eat Right

Eat Right is a smartphone application that allows students to purchase meals from the night cafeteria online. It also ensures that you eat your meal on time by giving you a notification so that you don't miss it, as well as providing a daily menu.

Monetory

Monetory is an expense tracker app. It's a convenient spot to see your balance and all of your transactions, and it also helps you keep track of how much money you've spent. Using the budget planner, you can keep track of your spending and compare them to your monthly income.
